

The Green Grass Grows All Around

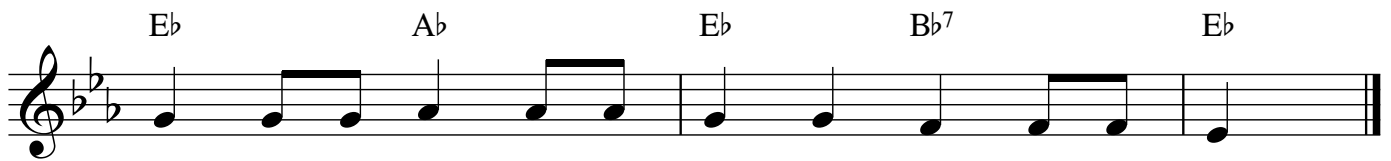

There was a tree all in a wood, The pret-tiest lit-tle tree
 And on that tree there was a limb, The pret-tiest lit-tle limb
 And on that limb there was a branch, The pret-tiest lit-tle branch
 And on that branch there was a nest, The pret-tiest lit-tle nest
 And in that nest there was an egg, The pret-tiest lit-tle egg
 And in that egg there was a bird, The pret-tiest lit-tle bird
 And on that bird there was a wing, The pret-tiest lit-tle wing
 And on that wing there was a feather, The pret-tiest lit-tle feather
 And on that feather there was a bug, The pret-tiest lit-tle bug
 And on that bug there was a germ, The pret-tiest lit-tle germ
